SKYLINE--1964

OUR WORLD—UNITED TOWNSHIP HIGH SCHOOL,
EAST MOLINE, ILLINOIS

As Freshmen, we enter the world of U.T.H.S. for the first time. Though we are uncertain at first as to what this new world will offer, we soon learn that it is full of new challenges and experiences which we will always remember. As

time passes, we lose the inhibitions we had as Freshmen and learn to participate in the various activities which are afforded us by our new surroundings. The 1964 Skyline is a pictorial record of these activities.

Dedication

In the past, it has been the custom of the Skyline to honor an individual outstanding in the field of education. It has also been the custom to acknowledge one who was about to retire; however, this year, we break this precedent and for good reason.

To you, Mrs. Hester, who for thirty-five years have dedicated your life and devoted your time and energy toward the many young minds inspired by the knowledge you had to give, we dedicate the 1964 Skyline. We are indeed fortunate that you are not leaving but will be back with us next year and, we hope, many years to come.

One of the busiest members of the senior class has been Pam Tate. An active Y Teener, Pam served as Y Teens president this past year and was also elected to the Campus Council and Student Council. For the past four years she has participated in the Lyric Theater productions as a member of the chorus and cast, and also has been in the choir. She was inducted into the National Honor Society her junior year, and was elected to 1963 Homecoming royalty last year. She is also a member of the Key Club and the French Club, and has been active throughout her high school career.

Number one in the senior class, Dennis Needham was inducted into the National Honor Society in his junior year and served as president of the organization his senior year. He excels in speech and musical activities, he is a varsity debater, has participated in the Lyric Theater productions, and was president of the choir his senior year. During his junior year he won the trophy for "Debater of the Year" as a result of his work as a varsity debater. He is a member of the National Forensic League and was on the debate staff this past year.

Jeanette Hart flashes the bright smile which has won her so many friends. Besides being a leader scholastically, Jeanette has been very active in sports activities during her high school years. She is number one on the girls' tennis team, has been a cheerleader all four years, and wound up her four years of GAA by serving as president of the GAA board. Her senior year she was elected Homecoming Princess and won the DAR award. She was also elected to GAA royalty. Other activities to which she devotes her time are Y-Teens, Campus Council and choir.

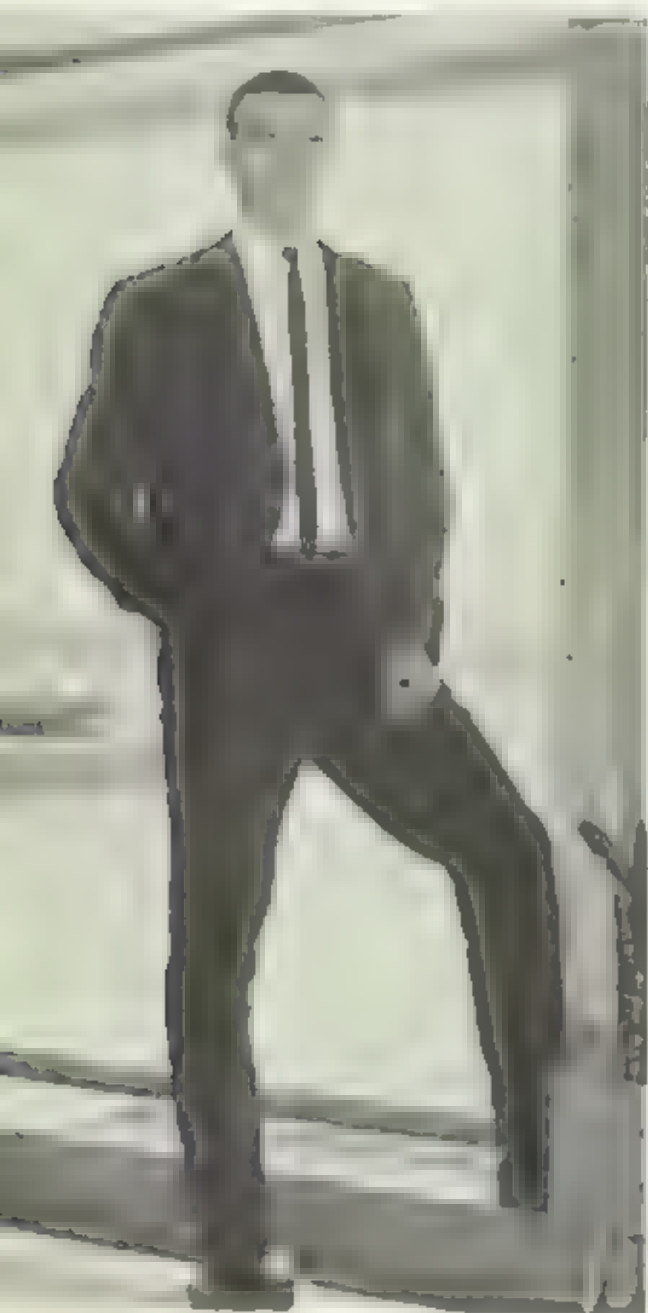

Outstanding Seniors

As the seniors complete their busy school lives, they can review their past four years of classes, activities, and friendships. There are always those few students who tend to stand out as particularly active in not only one, but many phases of school life. The seven seniors pictured on these two pages have all excelled in a combination of scholarship, leadership, and service to school and community. They are teenagers worthy of recognition and praise for the fine work they have done in helping to promote the teenage image. To be sure, they are far from being the only such seniors in the school, but they have been singled out to represent all those who have achieved success in the fields of leadership, scholarship, and service.

Featured in a familiar pose behind the podium at a Student Council meeting is Lynn Kusy. Lynn heads the student body at LTHS as president of the Council. A four-year member of Bio-Chemicals Club, he also served as president of that organization his senior year. Actively interested in science, Lynn attended the JESSA science program at Ames during the summer preceeding his junior year. He is talented musically also, and plays the saxophone in the marching, concert, and dance bands. Highlighting his senior year were election to Homecoming royalty and induction into the National Honor Society.

In all she does, Nancy Buckley puts her best foot forward as she displays her cheerful and winning personality. Well-liked by all the students, Nancy takes an active part in many organizations. This year she was vice-president of the Student Council and of GAA. A constant contributor to the Key, she was news editor her senior year. Nancy appeared as a dancer in the Lyric Theater productions of "Kiss Me, Kate" and "The Boyfriend." She was elected to Homecoming royalty and GAA royalty by the student body, and was inducted into the National Honor Society her senior year.

Allen Knott, popular Panther basketball star, poses here wearing the sharp team sport jacket. Al was named to the All Mississippi and All State basketball squads as a result of his fine record throughout his high school career. Highly admired and respected by his fellow students, Al was elected Homecoming King and president of the Lettermen's Club. He has also participated in football, cross-country, and track during his high-school years. In the home basketball game against Davenport Central High School, Al set a new fieldhouse scoring record.

This year Roberta Rowlands' family provided the foster home for LTHS's first girl exchange student—Sumiko Shinohara of Japan. Inducted into the National Honor Society her junior year, Roberta served as vice-president her senior year, and was also secretary of Bio-Chemicals Club. Last summer she attended the University of Illinois for 8 weeks under a science program sponsored by the Illinois Heart Association. Roberta was elected to the Homecoming and GAA royalties, and was senior class editor for the Skyline.

Mathematics Molds Minds

The modern math program offering algebra to freshmen and sophomores is a continuation of a revised grade school program. Basic ideas of sets, ratios, and proportions are taught early in grade school and are re-emphasized in high school. The method of teaching now encourages the students to think and reason for themselves rather than to merely memorize tables.

South Campus math courses include geometry and trigonometry. Seniors can complete their high school math with a semester course in Introductory College Mathematics.

Panther Parade

After careful examination by the editors, the most outstanding examples of literary works are published in Panther Parade. Essays, poetry, short stories, and monologues compete for one of four places or the prize of honorable mention. This year's magazine is under the direction of Mrs. Norma Magnuson, who teaches American and English Literature courses. Works of students of both campuses are combined to give Panther Parade a wide scope. The magazine, which is published a few days before the end of school, is a review of the literary talent at U.T.H.S.

Collecting ideas from previous years is one of the many jobs in publishing a literary magazine. Mrs. Magnuson and Editor-in-Chief Randy Chapman look through the 1963 Panther Parade.

Heading the staff of the Panther Parade is the editorial board consisting of Linda Mark, subscription manager, Joanne Rosczyk, essays, Linda Knox, poetry, and Vicky Brubaker, typist.

Other editors of this year's magazine are: Delphia Skinner, Sue Peterson, John Daly, Linda Thoman, Carol Milton, Barbara Nelson, Gail Hermes, Carol Ridovich, and Diana Corley.

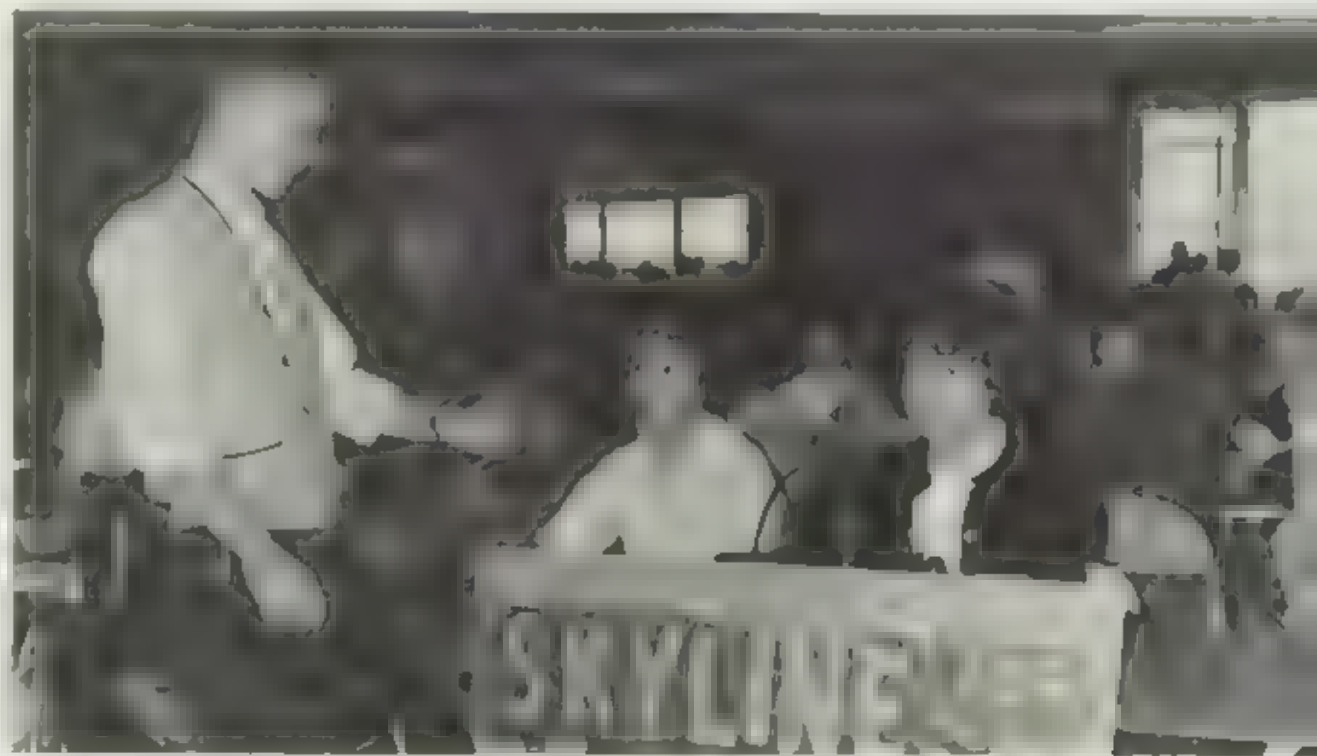

Bill Gardner, editor-in-chief, and Nanelle Fowler, associate editor, look over possible covers for this year's Skyline

For the first time in the history of Skyline, a junior is editor-in-chief. Once more a spring supplement completes the book, and beautiful color pictures brighten the pages. Much time, research, hard work, and time are put into the publication of the Skyline. Mr. Gross, yearbook sponsor, is overseer of the many details involved in publishing the book for its 1600 subscribers. Production of the book is marked by friendly cooperation among staff members.

Mary Komutar and Sandy Lohico, subscription managers, became a familiar sight in the cafeteria each noon. Looka like they just made a sale to Allan Cass

Editors of the various sections often meet to exchange ideas. Editor-in-chief, Bill Gardner, heads up a colorful staff composed of Nanelle Fowler, associate editor, Roberta Rowlands,

senior editor, Barb Nelson, faculty editor, Jean Kerckhove, clubs editor, Dennis Needham, captions editor, and Diana Corley, activities editor.

Assistant photographers, Cliff Lundeen and Al Zimmerman, caught some of the assembly action shots.

Besides keeping the U.T.H.S. students well informed about activities of their school, the Key teaches some of the essentials of journalism and provides a sense of satisfaction for staff members. Other than providing news, the Key participated in activities strictly for fun, including a dunce and entering a car in the Homecoming parade.

UTHS

This formation was one of the best done by the band at half-time of one of the football games

From the Concert Band of U.T.H.S. come the many activities in instrumental music. This year the swinging music of the dance band returns, and a pep band adds spirit to some of the assemblies. Besides presenting shows at half-time of football games, the band presents concerts to area grade schools.

U.T.H.S. has reason to be proud of individuals from the band this year. Many students participated in music contests around the area and state, and three band members represented our school at All-state Band in Peoria.

The climax of the year is the Spring Band Concert and the band banquet, where the coveted John Phillip Sousa Award is given to the most deserving student.

Choir Appears on Television

Choir officers were Nancy Burkley, secretary, Helen Gremont, treasurer, Jeanette Hurt, vice president, Dennis Needham, president

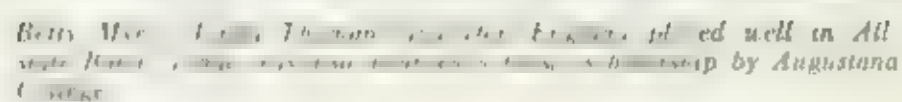

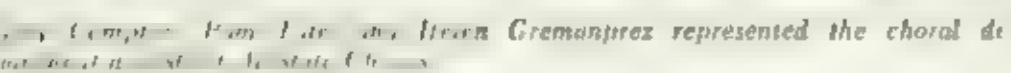

Under the direction of Mr. Donald Ohlsen, the Choir has greatly widened its scope of entertainment and participation in the field of choral music. For the first time, Choir members participated in the All-State music program. A full schedule of singing engagements, including Christmas Vespers, Homecoming, various assemblies, Commencement, and appearances before such groups as the Rotary, Kiwanis, and the Federation of Women's Clubs, challenged the eighty ~~members~~ Highlighting the year's program was an appearance on WQAD television. The musical efforts of the Choir were rewarded by the satisfaction gained by such fine performances as the Spring Concert.

Supporting the Choir are the Male Chorus, Cambiata Chorus, Allegro and Crescendo Choruses, and Girls' Glee.

Contest Play Places Third in Sectional.

With a minimum of scenery and a small cast, "The Marriage Proposal" demands much of the actors. The play, a Russian farce, provided laughter for all who saw it. Under the direction of Mr. Robert Larson the play placed second in contest at Rock Island. A performance at Augustana College brought the play before the public, and it was viewed on our own stage by the acting and play production classes.

Coled by Greg York and B. J. Zora. These two set a new school record in pass receiving with 25 receptions a piece. Greg and Bob also made several of the All Star teams in the area. On the other end of the passing attack was quarterback Jim Ralston. Jim came out his own in the second half of the season and eventually set a new Mississippi Valley Conference record for pass completion percentage with 620. For safety, Coach Zimmerman played both quarterback and fullback for the Panthers this season and was appropriately named the Most Valuable Player.

Coaches Lovestrand, Bare, Burke, and head coach Al Zimmerman plan improvements in blocking assignments.

With the loss of three regulars from last year, the golf team is in the process of rebuilding. This fall they had 32 boys report for practice. From this group, first year golfers, seniors Jim Van Quathem, and Butch Kivisto did surprisingly well. They teamed up with veterans Larry Vander Beke, Mike

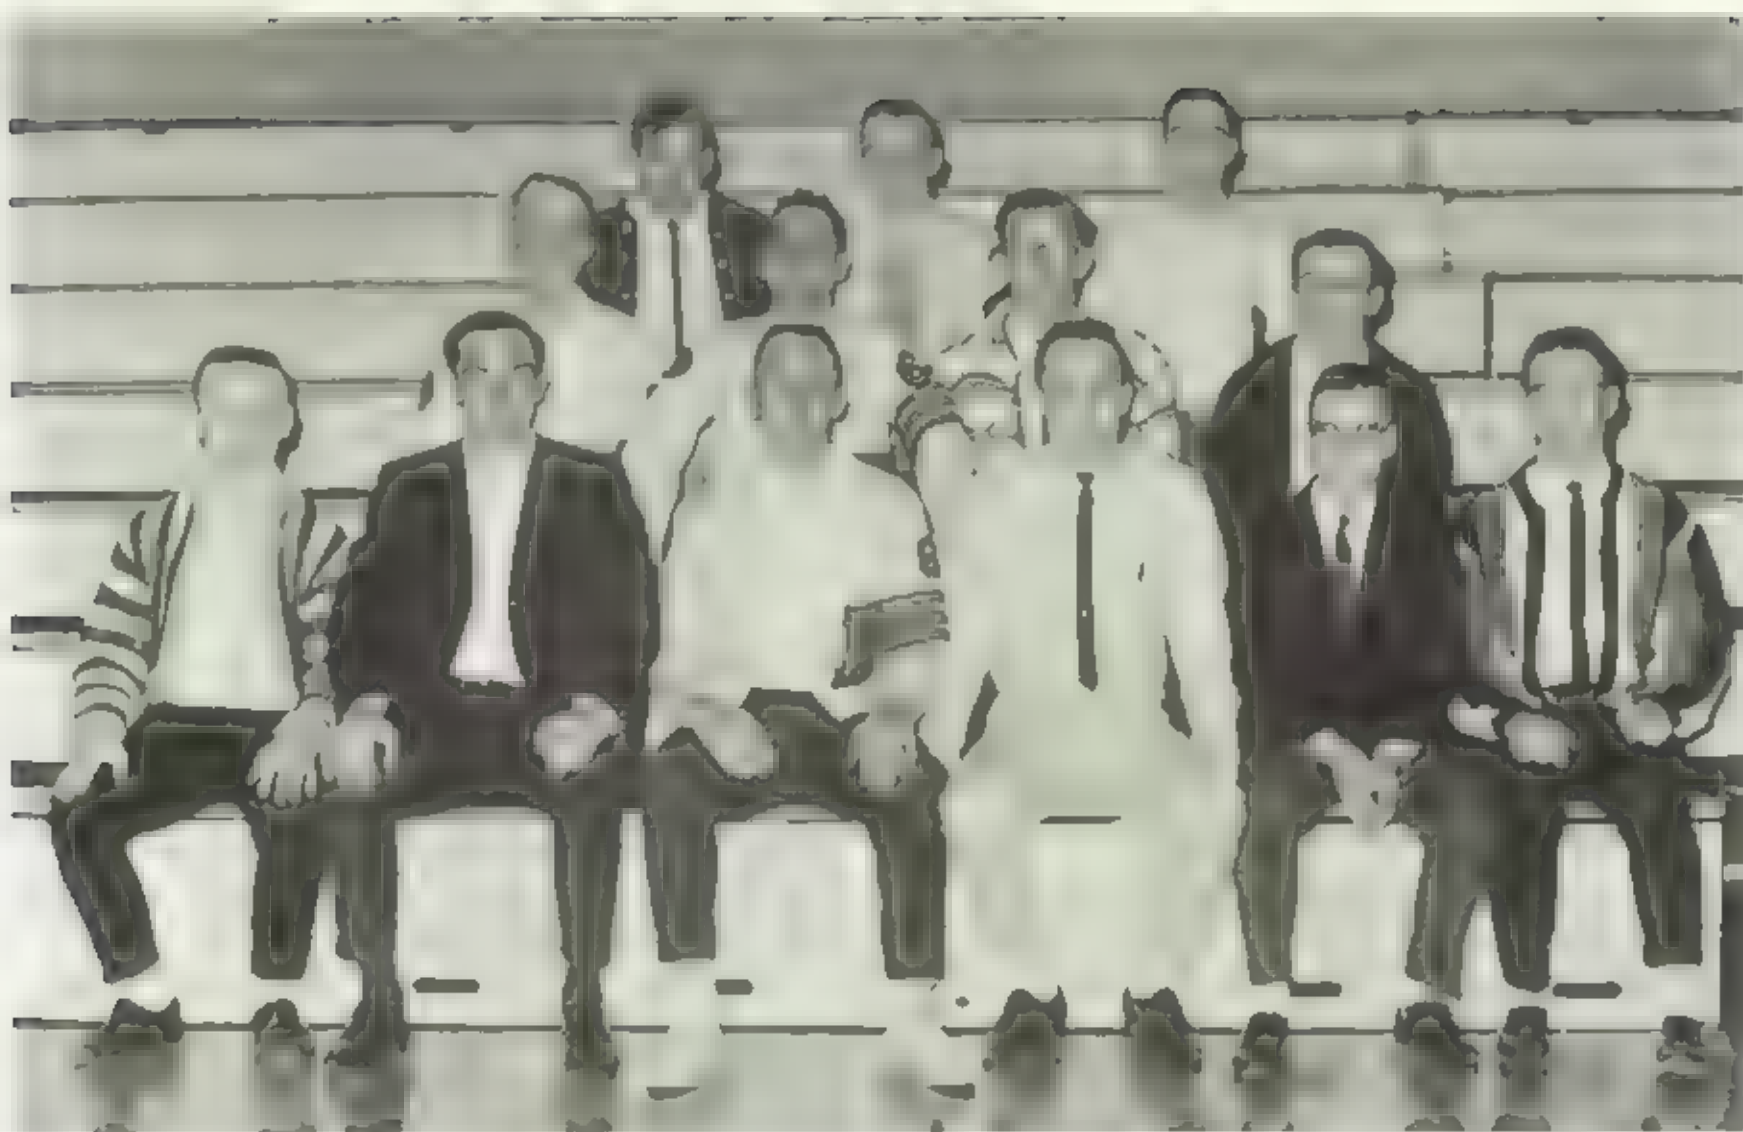

Adams, Dave Bert and Craig Knight to round out the competitive team. Though they finished last in Quad City competition this fall, they hope, with practice, this spring that they will make a better showing. Larry Vander Beke finished 4th in the individual competition.

Freshmen and sophomores participated in deck tennis, aerial darts, volleyball, and basketball for their units, supervised by Miss Westefer and Mrs. Ward. Juniors and seniors played archery, field hockey, volleyball, and basketball, supervised by Miss Ortmun and Mrs. Miller. The South Campus also had bowling under Miss Ortmun. The tennis team under Mrs. Ruberg is also sponsored by the G.A.A.

The G.A.A. had various money making projects this year. They sold sweatshirts, laundry bags, and East Moline pennants, besides the annual Christmas card sales.

The G.A.A. sponsored a playday this fall for 14 schools in Northern Illinois. There also was a playday for the freshmen and sophomores, sponsored by the South Campus branch in April.

Another highlight of the G.A.A. calendar was February 18, the Initiation Tea and Installation of officers held in the South Campus cafeteria.

The G.A.A. also sponsored the Royalty Assembly and the G.A.A. Dance on April 3.

Acknowledgments

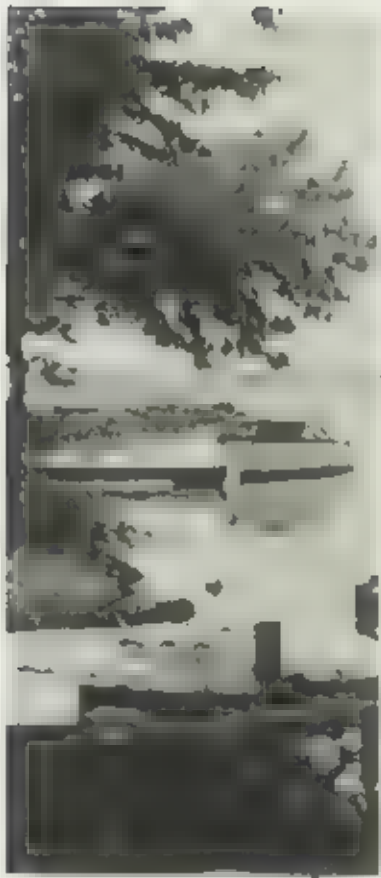

A yearbook, like any other publication, requires more than just the help of its staff. It is with sincere gratitude that we thank the many who have made the 1964 Skyline possible. To the patrons, the administration, the faculty, the photographer, Robert Lawrence, of Hull's Studio, Moline Daily Dispatch, Times-Democrat, Robert Mullins of Newsfoto Publishing Company, and all the past Skyline staffs, we extend our deepest appreciation.

ADVERTISING

The advertisers and patrons listed in this section are not only an important part of every student's world but also a vital cog in the wheels of our smooth-running community.

Where does education end?

Everybody knows
where education
begins.
It begins
with that first
hungry search
for nourishment,
and it goes on
through that first word
and that first step
and that first painful
punch in the nose.

It grows taller
as it grows familiar
with letters
and numbers
and names of things
and names of places,
and answers increasingly
more who's
and what's
and where's
and why's
and how's.

Everybody knows
where education begins,
but nobody knows
where education ends—
especially yours,
except you.

And where your
education ends
depends mostly on you
and how well you
want to be able to answer
questions like these—
plus one more question, too,
asked ever so frequently—

“What can you do
for me?”

As Seniors, we have experienced the life of U.T.H.S. and have derived varied degrees of satisfaction and enjoyment from our studies and activities. Upon graduating, though we may be uncertain of what the new world has in store for us, we have been well prepared by our four years at U.T.H.S. not only for the privileges but also the responsibilities of an adult world.
